When it comes to health and safety, the best defence is a good offence!

We welcome you to take part in the most practical and engaging risk management program available today in the health and safety space.

Learn what your responsibilities are as a business and ensure you and your leadership team have the knowledge, know-how and tools to avoid work health and safety litigation and workplace injuries.

This program will inspire and challenge you and your team to deliver progressive safety leadership, focusing on seven core factors:

1. GET IT

2. COMMIT TO IT

3. OWN IT

4. PLAN IT

5. DRIVE IT

6. CHECK IN AND CHECK UP

7. REJIG IT
